# Course Selection Considerations

- Learning Support Teachers (LSTs) are available to discuss and provide recommendations for course selections.
- Math 9 Skills Development - adapted Math 9 course spread over two terms to provide additional time to complete core competency requirements.
- Flex blocks - provides small group learning assistance four times per week.
- IEP blocks - for students on a replacement (modified) program working on IEP goals towards a School Completion Certificate.

# Second Languages & Post Secondary

## Post-Secondary Language Requirements\*

UBC - Second Language 11 is required for admission to ALL programs on the Vancouver campus. Grade 12 language is recommended for all students. Some programs on the UBCO campus may require it as well.

SFU - Second Language 11 required for admission to all programs.

UVic - Some programs require a second language 11. See their website for specific program requirements.

Most other BC post-secondary schools do not require a second language 11 for general admission. However, certain programs or individual courses may recommend or require it.

\*subject to change, please see specific university admissions websites for current requirements or consult Mrs. Huberts\*

# External Credits

Approved Ministry of Education courses, programs, and assessments developed outside of the regular school system.

Examples:

- ICBC Driver's Education
- Bronze Cross
- Red Cross First Aid
- Royal Conservatory of Music

Students must provide proof of official documentation to Mrs. Huberts.
