

APPENDIX C

DEFINED GIFT RECOGNITION PLAN

LANGLEY
CHRISTIAN
SCHOOL

IN CELEBRATION OF GOD'S FAITHFULNESS THROUGH ALL GENERATIONS...

WHEREVER POSSIBLE AND WITHIN REASONABLE LIMITATIONS, LCS WILL RECOGNIZE ALL DONORS' FINANCIAL CONTRIBUTIONS TOWARD CAPITAL PROJECTS.

- Donors have the opportunity to accept or decline whether their philanthropic gifts are made public through recognition.
- Recognition signage and displays will remain in place for the useful life of the building or space, unless otherwise indicated in a Gift Agreement.
- Public recognition promotes awareness of the importance of financial stewardship and fundraising to the mission of our school, inspires others to give generously, and provides the community with an opportunity to express their gratitude for gifts and service.
- There are limited opportunities for **memorial and philanthropic naming** of physical assets in the new middle school where there is a commitment to a significant gift that will have a generational impact and inspire others to great generosity. If you would like to discuss your ideas about such an impact, please discuss directly with Adam Woelders, Head of Schools. (headofschool@langleychristian.com)
